Being here with You, Lord how I love You (*repeat*)

Standing in Your presence, in Your majesty and grace

Love beyond all measure, nothing can compare

Being here with You, Lord how I love You

Being here with You, Lord how I love You

Timeless, treasure, pearl of great price (*2x's*)

Melting, into, You (*4 x's*)

Adlib part: Oh Lord I'm melting into You

I'm in You, Your in me, I'm melting into You

Melting into You
