(Chorus)

Breath of heaven

Breathe upon me

Breath of heaven *(repeat)*

Holy Spirit

Ignite the embers

Release Your Fire *(repeat)*

Breathe, breathe, breathe, breathe

(Verse)

Holy Spirit we long for You

To come and breathe Your breath of life on us

Release Your fire and set me ablaze

So I can spread Your fire in the earth

Breathe, breathe, breathe, breathe

(Bridge)

Breathe on the embers of my heart

Until my soul a flaming fire

Burning with only Your desire

Setting my life ablaze for You

Breath of heaven

Breathe upon me

Breath of heaven *(repeat)*

Breathe, breathe, breathe, breathe

Breathe on the embers of my heart

Until my soul a flaming fire

Burning with only Your desire

Setting my life ablaze for You
