**The greatest call I know
Cause when I am in Your site
I find the treasures of life
Here I am, waiting, waiting for/on You
Here I am, waiting, waiting for/on You (*repeat*)**

***Intimacy, I want to know You Jesus
Intimately, You are my refuge Father
Intimacy apart from You I have nothing good**

***Spirit speak to me, so I may hear Your voice
So I can see and hear the revelation of Your ways
And the power of Your heart/love**

**Father when You speak to me, is my desire
Holy Spirit breathe in me and light the fire**

**I long, I long to be, to be intimate with You
Oh I long to be, intimate with You
Oh I long to be, intimate with You**
