**Day by day there grows  
A deep longing in my soul  
To be closer to You, Lord to know Your ways  
Soon the time will come, when I see You face to face  
Until that heavenly moment, my heart will always say....**

**More of You, less of me  
This is my heart's cry, this is my plea  
More of You, less of me  
Forever You and me, always will be**

**Forever and ever I will love You Lord  
And our love will last  
Forever, and ever  
Through out eternity**
