We sing Holy, Holy, Holy
As we enter in His presence
To the throne room of heaven
We bow before the throne of God
As the angels cry He's Holy
Holy, Holy, Holy
The angels bow before the King
Saying, He's the Lord of everything

*All of heaven cries He's Holy
Holy, Holy, Holy
All creation joins in heaven's song singing
Holy is the Lamb of God
*And the saints cry out You bled for me
You're the one who was and forever will be
All of heaven falls down on their knees
Saying Holy is our Lord and King

From God's throne
His glory flows
Now heaven's doors, are open wide
As God's glory fills the earth

Holy, Holy, Holy
We sing Holy, Holy, Holy
We sing Holy, Holy, Holy
Holy Lord of everything
Holy, Holy, Holy
We sing Holy, Holy, Holy
We sing Holy, Holy, Holy
Holy is our Lord and King

Holy is the Lamb of God
Lord of everything
I stand before my King
Let His glory flow
