We worship You, we worship You

Singing hallelujah

We worship You oh Lord

You're holy and You're worthy

Singing hallelujah

We worship You oh Lord *(repeat)*

2nd full time: That's why we sing (solo)

2nd full time ending: That's why we worship

All creation bows down to Your name

Holy is our Lord and King

We worship You alone

For You are God of All

Master of the Universe

We worship You our Lord and King

With all of our hearts

We bow down to You

King of Glory

We worship You

That's why we worship (solo)

We worship You, we worship You Singing Hallelujah

We worship You, we worship You Singing Hallelujah

We worship You, we worship You Singing Hallelujah

We worship You, we worship You Singing Hallelujah
