*Lord I hunger, I thirst for You oh God
Nothing else can satisfy, like one touch from You..*

**Only You Lord, You Lord You I desire
I've got to have Your Glory in my life, Oh God
Only You Lord, You Lord
I'm desperate for
I feel I can't survive without Your Glory in my life**

**Your Glory, Your Glory
Your presence, touching me
Changing my heart, changing my life
With Your Glory, Your Glory
Your presence, touching me
Changing my heart, changing my life Oh God (*repeat*)**

Ad lib

**Your Glory, Your Glory
Your presence, touching me
Changing my heart, changing my life
With Your Glory**

Just to see You face to face in all of Your glory
