**I commit my life to You  
In everything that I do  
Lord my heart belongs to You  
For now and forevermore it's true**

**Lord my heart belongs to You  
Lord my heart belongs to You  
For You anything I'd do  
Lord my heart belongs to You**

**Lord my heart belongs to You  
Lord my heart belongs to You  
Lord my heart belongs to You  
Lord my heart belongs to You**
